Subject: Resolution Approving the Settlement of a Lawsuit Between Southern Comfort Solutions, Inc. and Miami-Dade County, Case No. 13-18205 CA 10, in the Amount of \$7,500

Recommendation

It is recommended that the Board of County Commissioners ("Board") approve the attached settlement agreement of the above referenced lawsuit between Southern Comfort Solutions, Inc., ("Southern Comfort") and Miami-Dade County (Case No. 13-18205 CA 10) (the "Lawsuit") in the amount of \$7,500 as full compensation for all claims arising out of the maintenance contract between Southern Comfort Solutions, Inc., and Miami-Dade County for A/C Chillers and Related Equipment, Bid No. 6046-2/12-2 (the "Contract")

Scope of Agenda Item

This settlement agreement is for maintenance services provided to the air conditioning chillers at Metro-West Detention Center by Southern Comfort Solutions, Inc.

Fiscal Impact/Funding Source

The fiscal impact to the County is \$7,500 and shall be paid from funds allocated for air conditioning chiller maintenance and repairs.

Track Record/Monitor

The execution of this settlement agreement will be overseen by Mr. Emilio J. Palma, Facilities Superintendent, Miami-Dade Corrections and Rehabilitation Department.

Background

Southern Comfort was awarded the Contract to perform repair and maintenance on air conditioning chillers at the Metro-West Detention center. The contract was for a term of three years with three one-year options to renew. Southern Comfort satisfactorily performed the first three years of the Contract. The County then exercised the first option to renew and this was also performed satisfactorily by South Comfort. Southern Comfort then commenced the second one-year extension. During this time, the County began to explore ways to replace these air conditioning chillers based on their age.

By the end of 2011 funding was identified and in the Spring and Summer of 2012, a contract was advertised for the replacement of these chillers. As a result, the maintenance portion of the Contract with Southern Comfort was cancelled. Southern Comfort claims that at the time the contract was cancelled it was owed monies from the County for work it had performed. Specifically, Southern Comfort claimed it was owed \$30,000 by the County for the yearly maintenance portion of the Contract. Since the Contract was terminated before the completion of the year, the County's position is that it does not owe Southern Comfort the full amount of the yearly maintenance portion. The parties were unable to resolve this issue

and Southern Comfort filed this lawsuit against the County seeking the \$30,000 yearly maintenance amount.

The parties both mediated this case and, subject to approval by this Board, have agreed to settle this matter by having the County pay Southern Comfort the amount of \$7,500 as full compensation for all claims arising from and related to this Contract and the Lawsuit.

The County believes this resolution is fair and reasonable, given the value of the maintenance work that was performed by Southern Comfort, and the risks and costs of litigation in this case. Southern Comfort has otherwise fully performed all work required of it pursuant to the Contract and the County is satisfied with the quality of the work provided.

Deputy Mayor
